

To whom it may concern,

Please accept this letter as my endorsement for Tanner Johnson. My name is Logan Talley, born and raised in Flagstaff, AZ and one of the founders of the Flagstaff Seminoles Baseball Club and a past Assistant Varsity coach at Coconino High School for 5 years (8 total with the program) that Tanner has been a part of. I have had the pleasure of coaching him since he was 10 years old.

Where to start with Tanner? Tanner is one of the best leaders of teammates that I have been around. The way he carries himself and his ability to lead others is second to none. Tanner's teammates respond to him as a leader. He is the hardest worker on the field and is a coaches dream as he has a way of getting the best out of his teammates as well.

Tanner's skills on the field have always been excellent. One of the better middle infield gloves I have coached. His skills along with his knowledge of the game makes him a huge asset in the middle infield. His communication with his team pitch to pitch is a strength of his. He is constantly directing the traffic of his teammates to make sure they are in the proper position to succeed. You know exactly what you will get everyday out of Tanner and that is hard work, great attitude, top notch effort, and excellent leadership skills.

Please feel free to give me a call if I can answer any questions,

Logan Talley
