To whom it may concern,

I have had the privilege of coaching Tanner Johnson for the past three seasons at Coconino High School. Tanner has a real understanding of the game. His knowledge and ability to recognize situations and react to them is remarkable. His work ethic and leadership are definitely at the core of his character. He is not afraid to take that all-important leadership role on the field. He comes ready to work every day on the field and in the classroom.

Tanner is a special talent. One intangible that Tanner has is heart. The heart for the game that drives him to be better every day. I have enjoyed watching his growth as a ballplayer and young man. I believe that Tanner would be an amazing asset to your program.

Respectfully,
